THUNDERBALL RULES AND REGULATIONS

(Keep for your records)

We will abide by rules and regulations governing competitions and championships recognized by the National Dance Council of America, Inc. Some of the NDCA rules that directly apply to amateur competitors, along with additional rules applied by the organizer follow:

1. All Pre-Teen, Junior, Youth and Adult amateur competitors must have an admission ticket for each day they are competing.
2. No couple is exempt from competing in any round. Any couple who fails to appear at the scheduled time for the first round of any event will be disqualified from the event.
3. No person may compete in an age classification lower than their own. A couple's age classification eligibility is defined as the age of the older partner on the day of the competition, however, this definition does not allow the younger member of the partnership to dance up two age levels. Specifics are listed below:

Age Category Classifications

OPEN CATEGORIES

Age classifications are effective on Jan. 1st of the year in which the age of the individual is attained regardless of the birthday

Pre-teen = Turning 11 or less in 2010.

Junior = Turning 12,13,14,15 in 2010.

Youth = Turning 16, 17, or 18 in 2010.

Adult = 19th birthday or greater in 2010

SYLLABUS CATEGORIES

The following designations will be used for the syllabus categories:

PeWee. Competitors who are 9 years old and younger. "PeWee" is not an official age category of the NDCA. "PeWee" competitors may dance up to the "Junior" category, but only as defined in these rules and regulations. A "PeWee" may not dance in the youth or adult category even if partnered by a Junior or Youth.

Elementary School: Competitors, who as of August 2010, will be in grades K - 6th.

Junior High School: grades 7th - 9th.

High School: grades 10th - 12th.

Elementary school competitors may not dance in the Youth category even if partnered by a Junior or Youth. Junior high school competitors may dance up one designation to the "High School" category, but only as defined in entry restrictions below.

Entry Restrictions

- Competitors who dance in a syllabus event may not dance in any open event of the same style.
 - Competitors may dance up one age classification only in each competition style.
4. A competitor is eligible to dance in the "Syllabus", "Novice" or "Pre-Championship" classifications until they accumulate three proficiency points. There is no limit to the number of proficiency points that may be accumulated in the "Championship" level. See point accumulation that follows:

Point Accumulation

- A competitor receives one point when they either a) place first in their current classification when a semi-final was danced, or b) dance in the final of a higher proficiency event where a semi-final was danced.
 - The eligibility to compete in a classification is applied to individual competitors and not as a couple.
 - An amateur couple is only eligible to compete in a classification if both members of the couple are eligible.
 - An amateur competitor's eligibility is based on his/her accomplishments regardless of the number or length of partnerships.
 - It is the responsibility of all amateur competitors to ensure that they are eligible for all categories entered.
 - An amateur competitor may enter at most two consecutive proficiency classifications in any particular style and age group
 - An amateur competitor's ineligibility begins at the conclusion of the competition in which his/her third point was acquired. In this case the word "competition" refers to the entire event.
5. All international style syllabus competitions are restricted to the ISTD Bronze, Silver & Gold syllabus. Newcomer and American style syllabus events may use any syllabus from member organizations of the NDCA as well as the THS or BYU syllabus. Couples must dance within the framework of the accepted syllabi, including precedes and follows, and without embellishment. For international style syllabus events, figures must be danced as defined in the ISTD technique book. Partial figures may not be utilized unless so specified in the "precedes and follows" sections. Couples dancing out of syllabus will be penalized per the specifications in NDCA rule III. D3. a.
 6. A competitor is eligible to dance in the "newcomer" event (Elementary, Junior High, High School) until they have placed in a final of any event in their age classification, provided a quarter-final was danced.
 7. Any amateur competitor who wears a costume deemed by the organizers to be unsuitable will be requested to change. If such request is not followed, the competitor will not be allowed to dance and their entry will be canceled without a refund of fees. Specific costume rules are listed within these rules.
 8. Competitors in the Latin-American divisions must not be overly suggestive in their movements at all times while on the floor. Couples who are viewed as inappropriate will be warned once, and then will be subject to disqualification.
